Marriage Matters

Extraordinary Change through Ordinary Moments

Can Ordinary Marriages Become Extraordinary?

He snapped at her at breakfast. She brought up a past mistake. He walked out angry. She left without saying good-bye. Just one day in an ordinary marriage. But what if things could be different? What if the ordinary moments of annoyance, conflict, pain, or cold indifference could become moments to understand God's incredible agenda for love and begin something new?

This book offers a simple, yet powerful prescription for changing marriages one ordinary moment at a time. Change begins with understanding how and why small disagreements evolve into major problems, taking practical steps to love one another more effectively, and learning how to take those same steps over and over again. Interactions that used to devolve into pointless annoyances and fights can become opportunities for God's love to become increasingly evident and powerful.

Winston T. Smith takes abstract, biblical principles and applies them to the concrete details of life so that ordinary marriages can become extraordinary.

Winston T. Smith, M.Div.,

is a counselor and faculty member at the Christian Counseling & Educational Foundation (CCEF) and has extensive experience as a marriage and family counselor. He is the author of the minibooks, *Divorce Recovery: Growing and Healing God's Way*; *Help for Stepfamilies: Avoiding the Pitfalls and Learning to Love*; *It's All About Me: The Problem with Masturbation*; and *Who Does the Dishes? Decision Making in Marriage*.

Paperback
304 pages
6 x 9 inches

Winston Smith show us how the transcendent purposes of God are at work in the midst of the seemingly mundane moments of our marriage. There is perhaps no greater garden in which the fruit of the Spirit grows in our lives than the garden of our marriages. Winston helps us see how God is at work in every aspect of our marriage to bring our need for His grace in our lives to the surface and in the process, to conform us to the image of His Son.

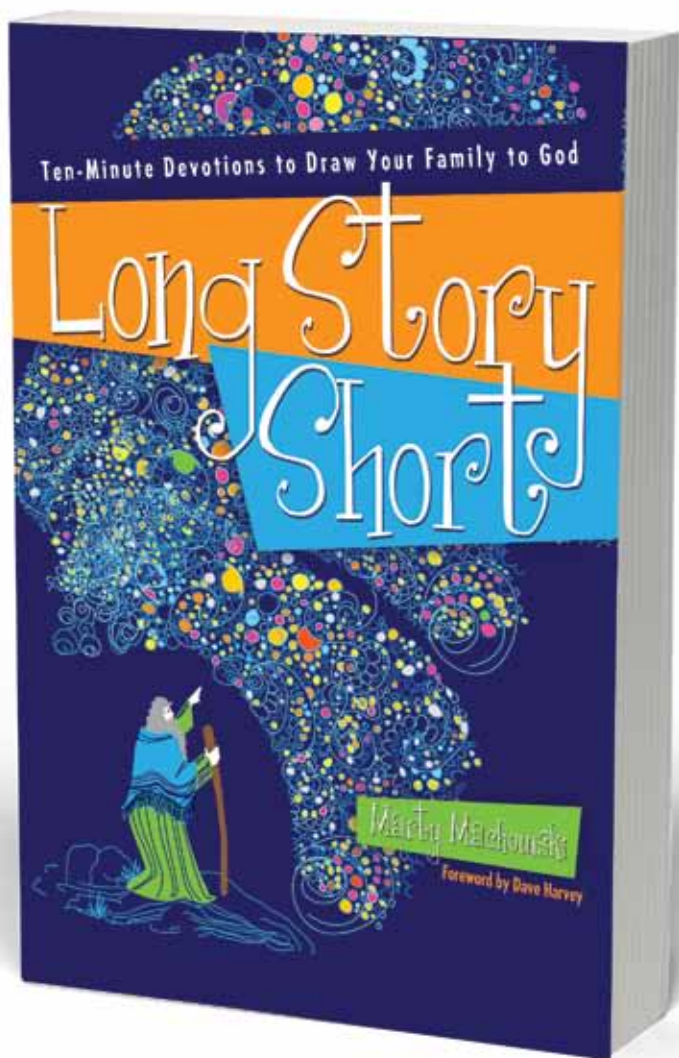

Bob Lepine

Co-Host,
FamilyLife Today

Marriage Matters is a biblical look at the spiritually formative aspects of marriage; true to Scripture, insightful, and convicting in all the right ways. Winston Smith has written a fine volume on the way God uses marriage to shape our souls.

Author of
*Sacred Marriage and
Pure Pleasure*

Long Story Short

Ten-Minute Devotions to Draw Your Family to God

Transform Your Family with Ten Minutes a Day in the Gospel Story

The Bible can seem like a long story for an active family to read, but when you break it down into short sections, family devotions are easy to do. *Long Story Short* will help busy parents share with their children how every story in the Old Testament points forward to God's story of salvation through Jesus Christ. You won't find a more important focus for a family devotional than a daily highlighting of the gospel of grace. Clever stories and good moral lessons may entertain and even help children, but the gospel will transform children. The gospel is deep enough to keep the oldest and wisest parents learning and growing all their lives, yet simple enough to transform the heart of the first grader who has just begun to read.

Ten minutes a day, five days a week is enough time to pass on the most valuable treasure the world has even known. *Long Story Short* is a family devotional program designed to explain God's plan of salvation through the Old Testament and is suitable for children from preschool through high school.

Marty Machowski

is the Family Life Pastor at Covenant Fellowship Church, a Sovereign Grace Ministries church in Glen Mills, Pennsylvania, where he has served on the pastoral staff for twenty-two years. Marty leads Promise Kingdom, the children's ministry of Covenant Fellowship. He is the author of the forthcoming *God's Story Sunday School Curriculum* and the companion *God's Story Children's Bible*. He and his wife, Lois, and their six children, reside in West Chester, Pennsylvania.

This is the best material for family devotions I've ever seen. It is careful, creative, and Christ-centered—without being corny, confusing, or condescending. Pastors would be wise to buy this book by the boxful and get a copy into the hands of each family in their church.

Justin Taylor

Blogger (Between Two Worlds); managing editor of The ESV Study Bible

Marty Machowski has written a family devotional that is a user friendly family worship guide. This stuff is simple without being shallow. It is doctrinally sound, Christ-centered and full of gospel grace and hope. Don't wait, start using this book today!

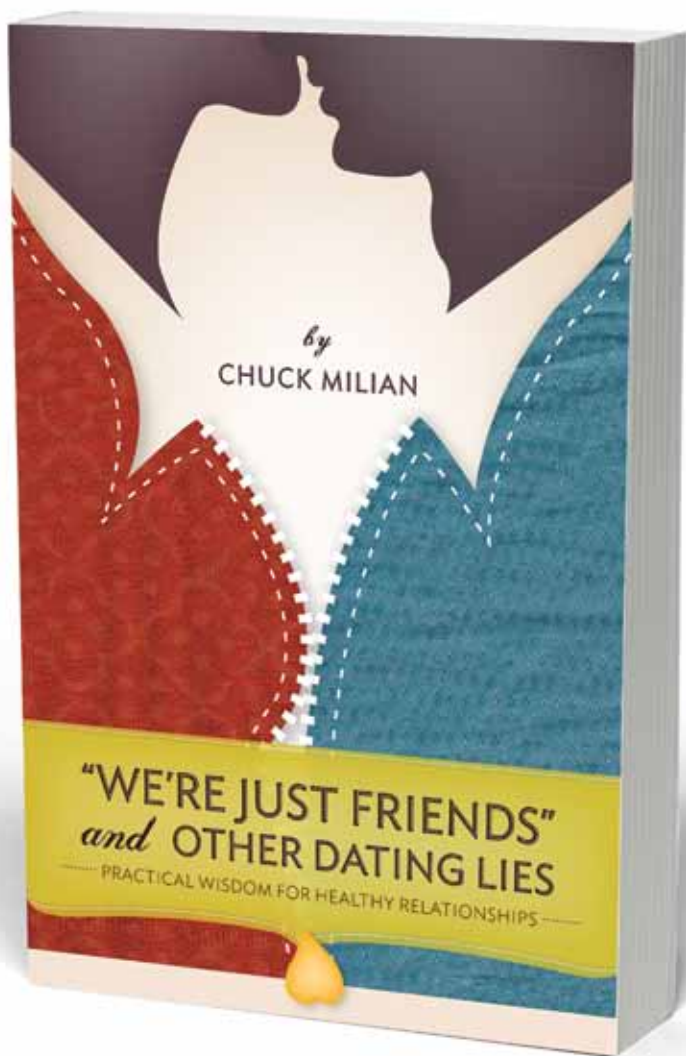

Dr. Tedd Tripp

Pastor, Author, Conference Speaker

This is simply an outstanding book, and Christian families need it right now. I have never seen a devotional book that is so well-suited to family devotions and to children, even as it is faithful in relating biblical truth.

R. Albert Mohler, Jr.

President, The Southern Baptist Theological Seminary

“We’re Just Friends” and Other Dating Lies

Practical Wisdom for Healthy Relationships

Safely Navigating the Dating Minefield

Hurt feelings, unmet expectations, dashed hopes, misplaced trust...these are just some of the potential time bombs that explode in dating relationships leaving a trail of broken hearts. Does it have to be this way? Do you have to stop dating to protect yourself and others from deep hurt?

With pastoral wisdom and insight, Milian explains to readers how to have positive dating relationships that don't lead to hurt and bitterness. Milian outlines a specific, five-step dating plan that will help singles limit relational damage as they look for someone to share their lives with. The author encourages, challenges, and instructs believers in this comprehensive how-to-date handbook. He gives practical advice on wisely forming relationships with the opposite sex while still having fun, avoiding unnecessary hurts, making lifelong friends, and knowing “where they are” each step of the way. Filled with personal reflections and insights, singles will take a look back at their past relational mishaps and move forward into a biblically healthy and romantically fulfilling relationship as God intended it to be. This book remedies and reduces the casualties of the current dating minefield where hearts get broken daily and sometimes never recover.

Chuck Milian, M.A.,

has served as the senior pastor at Crossroads Fellowship in Raleigh, NC since 2001. From 1991 to 1999, he was the singles pastor, followed by two years as the executive pastor. Prior to that, he was president of a statewide singles ministry called SOLO, Inc. He and his wife Kim have been married for more than twenty years and have two sons. Chuck is passionate about helping people begin a relationship with God and seeing people grow to maturity as followers of Christ.

Written with clarity and refreshing honesty, this book will be your companion guide into healthy and fulfilling dating relationships. Reading this is like having a personal coach in understanding what God really meant relationships to be. This is a much-needed book you will pull off your shelf again and again.

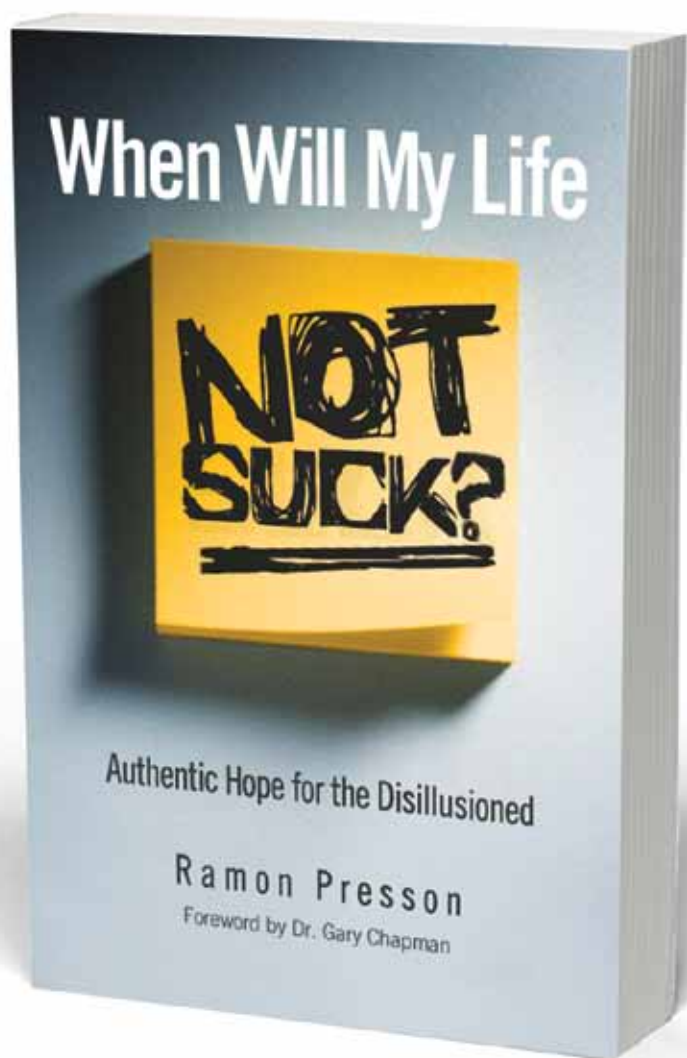

Paula Rinehart

Author of *Sex and the Soul of a Woman* and *Strong Women, Soft Hearts*

Once in a great while, an author is discovered with a new work that has the potential to radically transform an entire generation. Chuck Milian is that author, and this is indeed such a book. It is chock full of great ideas, stories, and wise counsel that, a generation from now, may well be credited with reducing the epidemically high divorce rate raging in our country and around the world. By all means read it, absorb it, and pass it on to someone you love!

Mark Cress

When Will My Life Not Suck?

Authentic Hope for the Disillusioned

Foreword by Gary Chapman

Is This as Good as It Gets?

Personal crises and disappointments have led many to the pessimistic conclusion that “my life sucks.” Underneath the contemporary slang are universal and timeless questions about the human condition. People of every age, in every kind of circumstance have wondered to themselves and others: Will my life ever be better than this? Is this as good as it gets?

This book is an honest and compassionate look at the real struggles we face in a broken world where bad things do happen. Ramon Presson, a marriage and family counselor, describes his own significant personal struggles, including hospitalization for depression. Using the letter that Paul wrote to the Philippians from prison, Presson shares that hope and joy are possible even when life disappoints. Full of practical suggestions for how you can live with purpose and meaning right in the middle of your everyday struggles, *When Will My Life Not Suck?* is a hopeful treatment of human suffering from someone who has personally lived it and counseled others through the wilderness.

Ramon Presson, M.S.,

a clinically certified marriage and family therapist for over twenty years, is the founder of LifeChange Counseling and the Marriage Center of Franklin, TN and also served as a pastor with a special focus in ministry to single and single-again adults for twenty years. He is the author of eleven books, including *Beyond the Shadows: Discover Hope for Overcoming Depression*, *Intentional Choices: Discovering Contentment in Stressful Times*, and *Love Talks for Couples* with Dr. Gary Chapman. He is also an award winning poet and a newspaper columnist. Presson lives with his wife and two sons in Thompson Station, TN.

Ramon Presson has the unique ability of unveiling the hurt and pointing the way to hope. This book is not designed to be a 'fast fix'. It is rather a book about truth that sheds light on pain. It is a book about encountering God when He seems to be hiding."

Excerpt from

Foreword by

Dr. Gary Chapman

Author of *The Five Love Languages* and
Love as a Way of Life

Let's be honest. We've all asked this question—Ramon Presson just pushes the question out into the open, precisely where it needs to be. If you want to laugh and ponder and move closer toward life, you will find a friend in these pages.

SMALL GROUP RESOURCES

How People Change Seminar DVD How Christ Changes Us by His Grace

Paul Tripp and Tim Lane Bring the Hope of Change to Your Small Group

Do You Want to Change But Don't Know How?

In the *How People Change Seminar* (DVD) Paul Tripp and Tim Lane guide people in understanding how Christ's life, death, and resurrection bring lasting change. Through the introduction, twelve sessions, and conclusion participants will be challenged to experience the deep-down change that the gospel of Jesus Christ brings and given the tools to understand the basic principles in the *How People Change Study Guide*. The seminar is for church-wide training sessions, small groups, Sunday schools, youth groups, or one-on-one discipleship and includes bonus material for equipping leaders to facilitate the seminar.

The resources from CCEF and New Growth Press have been a vital part of discipleship at Mars Hill Church for years. We place a high value on biblical, gospel-based, heart-oriented counseling and discipleship, and on seeing that vision implemented consistently across all ministries: from the pulpit, to small groups, to individual counseling and informal relationships.

He is the coauthor of the books *How People Change* and *Relationships: A Mess Worth Making*, coauthor of the curriculums *Change and Your Relationships* and *How People Change*, author of the minibooks *Conflict*; *Family Feuds*; *Forgiving Others*; and *Freedom from Guilt*, and many counseling articles.

Instruments in the Redeemer's Hands Study Guide and Facilitator's Guide

How to Help Others Change

Paul David Tripp designed this interactive small group resource using the principles from his best-selling book, *Instruments in the Redeemer's Hands*. Formerly published as *Helping Others Change*, this updated and reformatted *Instruments in the Redeemer's Hands Facilitator's Guide* offers a comprehensive, hands-on overview of the process of biblical change that will transform the way your church and ministry thinks about and helps others. Pastors, small group leaders, and church members are equipped to be part of the change process in others' lives through twelve lessons, homework discussion, and "Make It Real" life applications. The self-explanatory Facilitator's Guide gives detailed instructions for leading an individual or a small group through the *Instruments in the Redeemer's Hands Study Guide*.

As a pastor, I'm thankful for the Instruments in the Redeemer's Hands Study Guide. We've used it to train dozens of adults in personal ministry. Now, members of our congregation regularly dispense biblical counsel to one another over the phone, at a coffee shop, in a living room. As a result, as our church has grown, my counseling schedule has actually decreased, as issues and struggles are addressed before they become full-blown problems.

Ken Brown

Pastor, Community Baptist, New Boston, MI

When pastors or laypeople ask me for one book to read on biblical counseling, I point them to the excellent work in Instruments in the Redeemer's Hands. This study guide is a sound, thoroughly biblical, and practical guide for biblical counseling. If you are looking for a way to help your congregation understand how to counsel one another with the Word of God, Instruments in the Redeemer's Hands Study Guide will be an immense help to your ministry.

Deepak Reju

Associate Pastor, Capitol Hill Baptist, Washington, DC

Don't you just hate overstated blurbs? This isn't one. The thoughts in the How People Change Study Guide stripped me bare (I felt convicted), and then soaked me in a bath (I felt clean). The ideas in the Instruments in the Redeemer's Hands Study Guide then sent my scrubbed self out the door toward relationships with others who also needed hot water and a towel. Don't you need changing? Don't those you know? These study guides excel at equipping needy people to help needy people.

Steve Estes

Author and Pastor, Community Evangelical Free Church, Elverson, PA

Paul David Tripp, M.Div., D.Min., is the President of Paul Tripp Ministries, a nonprofit organization whose mission is to connect the transforming power of Jesus Christ to everyday life. This mission leads Paul to weekly speaking engagements around the world. In addition, Paul is on the pastoral staff at Tenth Presbyterian Church in Philadelphia; the Professor of Pastoral Life and Care at Redeemer Seminary in Dallas, Texas; and the Executive Director of the Center for Pastoral Life and Care in Fort Worth, Texas. Paul is a best-selling author who has written eleven books on Christian living. He has been married for many years to Luella and they have four grown children.

Crossroads is a biblical and practical ten-step group study for those struggling with addiction. Presented in author Ed Welch's trademark direct, no-nonsense style, each step provides a gospel-centered framework for change. Those who struggle with addiction will learn to recognize addictive patterns, to choose wisdom over foolish desires, and to cling to the hope they have in Jesus, who sets captives free. In the *Facilitator's Guide*, Welch walks leaders through the process of loving, connecting with, and speaking truth to a group of addicts.

Replace Lifelong Patterns of Fear and Anxiety with Peace and Rest

Everyone knows how anxiety and fear feels—a tight neck, a sick stomach, sleeplessness—but not everyone knows how to handle the anxiety that fills their days and troubles their nights. Strategies, like denial or working harder aren't a permanent solution. But this study guide offers a lasting way to find peace in a world full of things to fear. Each set of meditations gives specific ways to turn towards God and find his help, so that anxiety will gradually yield to hope, peace, and rest. Of course, this is a lifelong process, but going through this devotional guide, either individually or with a small group, will kick-start the process and bring lifelong change.

New Growth Press publishes materials that apply the truths of the Bible to the details of people's lives, so they grow in their love for God, their love for others, and their ability to bring healing and hope to the broken world. Books, minibooks, study guides, and church curriculum are designed to offer practical, gospel-centered help for marriage, parenting, interpersonal relationships, and struggles with addiction, depression, and other life-dominating problems. In addition, our resources equip counselors, pastors, and other professionals with specific, biblical guidance for their clients.

New Growth Press is the official publisher for the Christian Counseling & Educational Foundation (CCEF), an organization that provides Bible-based counseling for individuals as well as equips counselors with academic training, conferences, church support, and publications.
